ADA Compliant—Adjustable Height Workstation. Access with ease. Access with style. Our adjustable height workstation adjusts from 24" to 31" high. 30" deep, the unit is available in standard widths from 36" to 72". Tops are available in all of the same colors and finishes as our standard tables.

ADA Guidelines dictate that five percent of seating be wheelchair accessible.

The hand crank under the table allows for easy height adjustment to suit students of all ages and heights.

Flexible.

Need an ADA workstation right here, right now? We offer a mobile unit to fit that bill. Due to its height adjustability, this unit is powered by plug-in to it's nearest table or outlet, making repositioning a simple task.

Top removed to show detail and crank handle.
